

## Nissan Forklift

Nissan Forklift Training Vaughan - Nissan Motor Co. Ltd prides itself on reaching complete client contentment when enjoying one of their car, truck or forklift products. They are fully committed to providing high value and detail-oriented quality values to their customers. Incorporating a fruitful heritage combined with strong manufacturing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse consumer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the business has four independent manufacturing facilities that permit them to persistently adapt to their clients continually evolving requirements by offering an assortment of innovative ideas and designs.

The Nissan Forklift North and South American center is located in Marengo, Illinois. A loyal team of 350 personnel is committed to the collaboration, design and manufacture of their products. Operating under the ISO-9001 and ISO-14001 certifications, helps each sector of the Nissan Forklift Corporation to preserve environmental accountability by using techniques that diminish the global influence of their goods and processes. These high standards remind clients that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally aware corporation.

Nissan is quite certain that any of their customer's queries and customer worries directed towards them can be fully addressed. Always accessible through their website or by calling 800.871.LIFT, reaching one of their community sanctioned sellers or even going to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their warmth and commitment.
