

## Genie Forklift

Genie Forklift Training Vaughan - Genie Industries prides itself with the concept of lifting individuals and materials higher, extending beyond the products they design. A global corporation that is deeply connected to their consumers and enjoys reflecting the spirit of partnership with all they achieve. Genie Industries strives to help clientele build their operations no matter how large or small the scale of undertaking may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, transportable materials lift spawned the beginning of Genie Industries. A series of aerial work platforms and other materials lift trucks followed to satisfy customer demand. These modern goods secured global recognition and established state-of-the-art product design.

At this time, Genie Industries is a subsidiary of the Terex Corporation. Among their top priorities are to manufacture and maintain foremost quality manufacturing and uncompromising level of support and service. With clients from Dubai to Dallas and Hong Kong to Helsinki requesting the distinctive blue coloured material forklifts on the jobsite, the company is firmly planted in their exceptional customer principles and service. Acknowledging that their users are their greatest inspiration, the team at Genie Industries are individually dedicated to offering expertise and maintaining customer rapport.

The reliable team is committed to greener, more environmentally sensible solutions to develop the products that customers want. Genie Industries focuses on "lean manufacturing" practices in order to help reduce waste while manufacturing very high quality forklifts in the shortest time period at the lowest possible expense for the consumer. The team at Genie Industries is proud to serve the industry and this is reflected in every invention they produce. Always welcoming customer input allows them to produce and develop modern new products that are straightforward to service and operate, provide optimum value-for-cost and meet international standards. Thriving on client opinion enables Genie Industries to continually evolve and meet the consumers' requirements.

Genie's service specialists are readily available to provide solutions to the queries you may have in order to keep you fully operational. Their vast components network will swiftly dispatch components to ensure their consumers' machinery are operating effectively. Each product comes backed by a competitive and reliable warranty.
